RE: Vehicle replacement / PO request

I am requesting a Purchase Order for the replacement of vehicle # 232; a 2000 Dodge Ram 1500 pick-up truck. This vehicle is assigned to Fire Prevention/ C-2. The vehicle is listed on the SCFR vehicle replacement schedule for year 2010-2011. Currently this vehicle has 131,000 miles. It was acquired used from the Sumter County Sheriff's Department; who had confiscated the vehicle as a result of drug trafficking. The vehicle is not properly configured or equipped as a command vehicle (it lacks a command box and radio installation).

The PO request is for \$50,088.50; payable to Garber Fleet Sales in Jacksonville, FL. The pricing for this vehicle is the state bid pricing for this type and style of vehicle. The vehicle is a Ford Expedition XL. The vehicle will be painted overall red with a white top (typical of the SCFR fleet) and marked with reflective stripping and emergency lighting. The vehicle will be specifically equipped and configured for a first response command vehicle.

When this vehicle is replaced; it will be reassigned as a spare vehicle for fire prevention and operations. Vehicle #230; a 1993 Chevrolet 1500 pick-up truck; which is the current fire prevention spare will be assigned to Logistics to deliver supplies and equipment to the fire stations as well as transporting supplies from EMS and our radio vendor.

The two vehicles assigned to Logistics are vehicle #214 a 1996 Ford Ranger pick-up truck and vehicle # 218 a 1993 Ford F-150 pick-up truck. The Ford Ranger will be maintained as a county-wide use vehicle for various projects and the Ford F-150 will be turned over to surplus as excess.
